

CHILDREN'S SERVICES CONFERENCE

TIME FOR CHANGE:

A New Role for Commissioning

20th & 21st June 2024

WORKSHOPS

Who we are?

'The Commissioners' Conference' is not just another 'conference'. It offers access to the best practice and staff development at the best price.

Learn from colleagues *doing* the job and from the leading experts from across Children's Services.

Unique amongst conferences, it is organised by commissioners for everybody involved with Children's Services

martin@commissionersconference.co.uk

The Conference is for all those involved with Children's Services. We provide over 35 separate workshops focussed on improving practice including

- Improving Foster Care Recruitment & Retention
- Supported Accommodation Best Practice
- Early Help and Parental Conflict
- LA and provider SEND service developments.
- Profit & Debt in Children's Social Care
- Developing LA inhouse Residential Provision
- SEND pathways
- How to improve the quality of referrals
- Therapeutic Residential Childcare Standards
- Implementing Regional Care Cooperatives
- Using Data to improve decision making
- Commissioning placements for children with complex needs
- Understanding anxiety - informing practice
- Joint work to meet gaps in SEND provision.
- Tier 4 Step across
- IPC
- Introducing the NAFP Fostering Contract
- Lessons learnt from Strategic Partnerships
- Young People led quality assurance
- Coram Voice Bright Spots programme
- What works for Children at risk of violence and many many more

This Conference prides itself on being THE EVENT to share best practice from across commissioning
